Glasgow

**Tesco Finance  
Glasgow**

Tesco Finance have acquired offices at Glasgow's city centre Broadway 1 development which consists of 8 floors of Grade A office space (125,000 sq ft) for their staff as the buildings sole occupant working in customer sales and service for Tesco Bank's home and motor insurance divisions.

FES are delighted to have completed the Mechanical & Electrical Services Installation at Tesco Bank's new premises in the centre of Glasgow. This building provides high quality contemporary workspace, delivered rapidly and economically as part of the bank's wider UK rollout.

The FES M&E scope of works consisted of adapting the original base-build installation for a specialist fit out for general office use, creating a Main Comms Room and Hub Comms rooms at each floor level. These rooms have specialist services such as gas suppression and UPS requirements.
